Oxford, N. H., July 20, 1887.
Post office at Oxford, N. H.,
July 20, 1887.
There is in the vicinity of \$250 due on
our subscription list. Look at the ad-
vertising label of your paper and see who
owns your paper.

The annual reunion of the 10th Reg-
iment of Maine Volunteers will be held at
Oxford, Aug. 10th and 11th. Half fare
on all railroads.

The Phillips Photograph has gone into
the hands of the firm of C. C. Brackett &
Son, J. W. Brackett, the younger mem-
ber of the firm, will be editor and busi-
ness manager.

Lawson's Horse Medicines are having
a boom. They are always the thing if
you have a sick horse and every horse
man has a few of them. See ad. Try
Lawson's medicine and be convinced.

It should be remembered that we do all
kinds of plain and fancy printing, the
best manner and at low prices. Esti-
mates on any class of work cheerfully
given. Call or address ADVERTISER,
Oxford, Me.

The Maine Register for 1887 is at hand.
It contains between seven and eight hun-
dred pages of information of interest to
all who have any business to do in
the State. It is the best book of its
kind any of the country has ever seen.
It is for sale at all the book stores or by
the publishers, C. C. Brackett & Son,
150 Middle St., Portland, Me.

We desire our correspondents to be
prompt and accurate in sending in their
news. We want all the news, however
little or great. Should any of your
neighbors want to be advertised, we
are our authorized agents. Proper credit
will be given for money handed there.
Receipts for money should always be
taken when money is paid.

SOUTH PAIS.
N. H. Perry of South Pais, is the rare
fortune discoverer of a deposit of the rare
mineral, cerussite, from which he has ex-
tracted several hundred weight of the min-
eral cerussite, also called lead ore.

Farmers in the vicinity are complain-
ing of potato bugs. They are more nu-
merous than for many years.

Although dog days are nominally due,
on the twenty-fifth they seemed this year
to have got around a little in advance.

It is the query of our blueberry parties
what a building on the top of Strengthen
Mountain by the high snows of winter
and in the summer months can be there for
either winter, run nor sleep can be ob-
tained there.

C. H. French, who formerly kept a car-
riage store in this village, has been elected
Principal of the Maine Normal and Ec-
clesiastical School, Bangor, Me.

Harry B. Stone of West Plains, Kan-
sas, is visiting his native village.

Ezra Stevens, the great showman of
Brynau's Pond, was in town last week.

Miss Eleanora Maclean's little daughter
gave a birthday party taking the children
to Snow's Falls in visiting Auburn.

A number of our citizens visited Bar-
nabur, N. H. They say they will visit him
whether they get home or not.

The Oxford County Fair will hold their
next Fair at New Hallow in this village next
January the 24th, 25th and 26th. The en-
try fees for the first class of poultry
and dogs, thirty cents; for the second
class and twenty per cent. for the third
class, besides forty-eight special pen-
sions offered by the fair.

LOCKE'S MILES.
The Tablets Mfg. Co. have the honor
on the ground for a new house. They
are to build a large house like this one
on the same site.

John C. Evans, Jr., of Gorham, N. H.,
was in town last Monday visiting at J. A.
Fairbanks.

Hon. E. E. Rand will visit at Hig-
gins Beach, Scarborough, last Saturday,
where his family will remain two weeks.

He returned Monday.

Considerable lay down through the
wet weather in this vicinity.

The school in district No. 1, Charlie E.
Ayer, for teacher, closed July 22nd after ten
weeks term. Charlie Martin aged five
years was not seen one day. This was his
last day.

SWEDEN.
The majority of farmers in this vicinity
are through haying and a large crop of
hay has been harvested. Many have their
barns filled.

Mrs. Alpha Smith had a slight cold
last week. She is quite comfortable at
the present writing.

Perry A. Knight and brother Lucian,
sons of Judge Knight of Portland, are
stopping with Mrs. Rachel W. Knight,
a few weeks.

Mrs. McQuarrie and wife of Mass., made
a brief visit at Prince Edwards Island,
the home of Mr. M. They also visited
their former home in Sweden. Mrs. M.
was highly delighted with the scenery on
the island and says she should enjoy visit-
ing there.

Mrs. Chas. T. Stuart and children of
Lewiston, Me., are visiting in this place.
Thomas Jefferson and Aaron Jones have
their barns filled to the roof with
English hay and will have to secure barn
room for their hay. Both gentlemen have
L. E. Thomas' machine in
their houses and profit there. Last
week Mr. A. Jones, who recently purchased
the Daily Evening Owl, Englewood, Ill.,
came to this place. He is a gentleman
and a man of letters. He is now at the
place and will be here for some time.

Mrs. Rachel W. Knight had green peas,
string beans and new potatoes from her
garden. She is visiting in this place.

Mrs. Chas. of Lowell, with two other
ladies and Mr. Daniel Stuart's lady, in-
tended to go without it. For sale at all the
book stores or by the publishers, C. C. Brackett &
Son, 150 Middle St., Portland, Me.

GREENWOOD.
Geo. H. Hayes has put an addition on
to his barn making it some twelve feet
longer.

Albert Wilson has a grand old horse,
Swiss and Durham blood two years old,
very handsome.

Mr. Searles Jackson is offering
\$2.00 per day for cash to help him out
his hay and put the cash every night.

Some of our farmers are done haying,
some nearly so and others half done.

We hear W. D. Brown's sick ox is
gaining.

Minnie White, daughter of W. G.
Whitcomb, has died, July 20th, at
Marblehead, Mass., aged 29th.

Mr. Wm. D. Brown, formerly of
Marblehead, Mass., was in town last
week. He was visiting in this place.

Our Swift's Corner correspondent
speaking of smart women last week
said, "I have seen a woman who has
been in the city for some time. She is
very smart. She has a grand old horse,
Swiss and Durham blood two years old,
very handsome."

NORWAY TOWN.
The capons raised the raised the
streams to their spring time height and
the hay that was down last Thursday
is about worthless.

Mrs. Geo. Lasselle and Ralph Jones
visited in town last week. Ralph is
a pump, hand-on, laughing fellow who
whom any mother ought to feel proud
of.

Frank Putnam has been in town
last week. He is a very smart man.
He writes his mother that he is having
a good time and is in no hurry to come
home.

Mrs. James Smith has been sick with
pneumonia but is convalescing.

Mrs. Sophie Hall is visiting in town.
She is a very smart woman. She is
a pump, hand-on, laughing fellow who
whom any mother ought to feel proud
of.

EAST MEADOW.
The late rain has been beneficial to all
vegetables. Many of the world here
have very long leaves. They are
very smart. They are a pump, hand-on,
laughing fellow who whom any mother
ought to feel proud of.

Many towns in the mountains last
week in quest of blueberries from all di-
rections, but those intending to go last
Saturday were not permitted to go last
week on account of the rain.

Mrs. Clara E. Haskell and Minnie Neal
from Lynn, Mass., are spending their
vacation at Union Island.

Percy Lovell, a graduate from Union
Island, has become so accustomed to
traveling to and from the place that he
starts every Saturday night in that di-
rection. Apparently he is intending to
travel a private school with a limited
number of scholars.

NEWTON.
There is to be a lawn party for the ben-
efit of the Congregational church in Bar-
nabur, New Brunswick Point on Wednes-
day next.

Mrs. A. Ostrander, of Brooklyn, N. Y.,
is at Woodville Cottage.

The Ellis River dam plays a very
important part in the school house on the
East side.

Emilia, daughter of her school in
Mass., was in town last Friday.

Rev. Mr. Cole board for the season at
Mr. Martin's.

LEWIS FALLS.
Our toothpick factory is a sure thing.
N. W. Norton, ex. of Danville, N. Y.,
is in town visiting his mother.

Wm. Redding of Boston, is stopping
a few days here at his father's.

More trotting horses owned about this
place than cannot last 2 minutes than in
any other place in Oxford County.

Chris Mason has sold his horse. He has
purchased a lot to build a carriage shop
upon which he intends to work.

Gov. F. C. Green and wife are making
arrangements to go West this fall.

A stockyard factory is under way. The
stockyard factory is a very low.

Mrs. E. Libby, a son of L. T. Libby of
Charlestown, Mass., stuck into his leg
and has a bad one.

Mrs. W. G. and her two boys spent
last week at the French Air Committee of Port-
land.

Silvia Stanley, Laura Gurney, and
Gentle Libby are heading at A. W.
Stanley's.

A number of our young people are go-
ing to Oxford and the next week.

At Fox and Geo. Davis are going to
Portland soon. They will enter the law
office of Matthews, Chubb and Libby.

Mr. Newton is clerking for J. P.
Stanley.

The poles are up for the telephone wire
to the farm.

The Phillips House is full of boarders.
S. P. Fox has returned to his home in
N. H. He says he intends to close out
his business there in the course of a year or
two and return to this place.

Estlin Fox has opened a dressmaker's
shop in Towle's Block.

Reports are that James Edgewood has
the most beautiful place of grass in this section
of the county. He will get 15 tons from
30 acres.

Wm. Doyson of the firm of Rowe &
Doyson passed through this place late-
ly. He was looking after his cattle, in-
deed anything in the line of the next line
the farmers have to sell. It must be fat or
he does not want it.

It rained so hard that we were not many
from the Phillips House is full of boarders.
S. P. Fox has returned to his home in
N. H. He says he intends to close out
his business there in the course of a year or
two and return to this place.

Estlin Fox has opened a dressmaker's
shop in Towle's Block.

CASCO.
The hay crop is more than an average,
is mostly secured in good condition.

Edwards & Sylvester have returned
from Gray where they have been visit-
ing.

Ann Milla Plunkett of Boston's Mills
is visiting friends and relatives in this
town.

Charles Messer has a new buggy.
Our village is full of foreigners at present
pending their vacation here.

G. & E. Johnson has got a new moving
machine. Judge Burgess has a new ma-
chine and horse rails. Mr. C. Plunkett
has a new horse. Levi G. Edwards has
a new machine and rails.

E. A. Barton and son went fishing last
week under Thomas Pond and caught 27
nice pickers and it was not a very good
day for fishing either.

Blueberries are quite plenty, and
there are more so, picking any where
they can find them, if they can't buy
them, but some of them will get a taste
of it.

We often see accounts of smart, old
ladies, but I think we have one that
is not so smart. She is a very old
lady, 60 years old next September, has
made herself a dress, and has a new
machine, doing all the sewing by hand.

The cross land is running low and
the water in the hills does not run out
better they will soon suspend.

WATERBURY.
Mr. Stankist is very sick.

Frank Knight has bought the George
Libby and his wife.

Cyril Russell has gone to Bethel for
a few weeks.

We have three stages daily, one from
Oxford to Bethel and one from Bethel to
Oxford.

At Fox and Geo. Davis are going to
Portland soon. They will enter the law
office of Matthews, Chubb and Libby.

Mr. Newton is clerking for J. P.
Stanley.

The poles are up for the telephone wire
to the farm.

The Phillips House is full of boarders.
S. P. Fox has returned to his home in
N. H. He says he intends to close out
his business there in the course of a year or
two and return to this place.

Estlin Fox has opened a dressmaker's
shop in Towle's Block.

Reports are that James Edgewood has
the most beautiful place of grass in this section
of the county. He will get 15 tons from
30 acres.

Wm. Doyson of the firm of Rowe &
Doyson passed through this place late-
ly. He was looking after his cattle, in-
deed anything in the line of the next line
the farmers have to sell. It must be fat or
he does not want it.

ly. He was looking after his cattle, in-
deed anything in the line of the next line
the farmers have to sell. It must be fat or
he does not want it.

EAST ANDOVER.
The steam mill started up last week
with only half a crew.

The Congregational circle meets
with Mrs. E. A. Grover this week Wed-
nesday.

Manah Parrington has returned to N.
H.

Mrs. Langdell and children of Salem,
Mass., are visiting her parents in And-
over.

Gen. Palfar and wife are visiting at
Charles Corbin's.

LOVELL.
We learn that Lincolnton Lowell, son of
Wm. B. LaBaron of this place, with two
other men was drowned, Aug. 10th, at
Bath, Oregon, on July 10th.

Mrs. Gilley and daughter of Portland,
are visiting in town.

M. E. Charles is at home for a short
time.

One pair of the road machine oxen
have been sent to Wm. H. Walker.

Rev. J. W. Webster preached at No. 4
school house Sunday afternoon.

F. C. Stearns and family are in town.

EAST OTTUM.
A large amount of hay was damaged
by the heavy rain of last week in this
vicinity.

Julia and Hayden Child of Portland are
spending a few weeks with their mother.

On account of the rain no meeting was
held at the P. B. church last week.

An addition of fifty scholars to the P. B.
Sunday school.

Mrs. W. H. Wardwell of Auburn was in
town, N. H., for the purpose of sev-
eral fine high bred colts, which he is
having kept here.

C. E. Greenleaf has a nice large suck-
ling cow, one of his fine Hants Hamiltons;
also by Watson Morrill.

At Fox and Geo. Davis are going to
Portland soon. They will enter the law
office of Matthews, Chubb and Libby.

Mr. Newton is clerking for J. P.
Stanley.

The poles are up for the telephone wire
to the farm.

The Phillips House is full of boarders.
S. P. Fox has returned to his home in
N. H. He says he intends to close out
his business there in the course of a year or
two and return to this place.

Estlin Fox has opened a dressmaker's
shop in Towle's Block.

Reports are that James Edgewood has
the most beautiful place of grass in this section
of the county. He will get 15 tons from
30 acres.

Wm. Doyson of the firm of Rowe &
Doyson passed through this place late-
ly. He was looking after his cattle, in-
deed anything in the line of the next line
the farmers have to sell. It must be fat or
he does not want it.

NORWAY CENTER.
Mrs. Dollie Small who has been feeble so
long, was taken suddenly worse
Tuesday night and died Saturday night
about nine o'clock of last week. Through-
out her illness she has been kindly
cared for by her sister, Miss S. A. Hol-
brooke, her daughter, Mrs. D. D. Straton,
from Melrose, were here at the
funeral last week, Tuesday.

BUCKFIELD.
A person in public business has a good
opportunity to study a human nature. I
have observed this season, for instance,
a certain class of farmers, who are in-
clined to be anything that goes right with
them, for instance, they are inclined to
be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
for instance, they are inclined to be any-
thing that goes right with them, for in-
stance, they are inclined to be anything
that goes right with them, for instance,
they are inclined to be anything that goes
right with them, for instance, they are
inclined to be anything that goes right
with them, for instance, they are inclined
to be anything that goes right with them,
